WELCOME

Welcome to House of Sport! The collaborative hub for the sport and physical activity sector in London.

Developed by London Sport to provide a space for the sector to collaborate, using House of Sport for desk, office, or meeting room space is more than just servicing the practicalities of work.

It's generating opportunities for you to expand your networks, to connect with organisations with similar goals and outcomes to enable you to combine efforts and amplify impact. It's being able to access free training sessions on themes relevant to your work. It's building physical activity into your workday to support your health and wellbeing.

Come and be part of a community of 30+ charitable organisations who strive to tackle inequalities and reduce inactivity in London.

We believe strongly in equality, and we are an open, safe and inclusive space for everyone in our community to be their best selves. London Sport are a London Living Wage employer, and have achieved the Mayor's Good Work Standard for London Sport, and the Healthy Workplace Award for both London Sport and House of Sport. We are committed to reducing our energy usage by at least 10% as part of the Mayor's Business Climate Challenge.

Based in the Business Improvement District, BetterBankside, we share strong links with other businesses locally which brings additional benefits, discounts, and opportunities.

If this sounds like a place you want to call home, or want to support by using our meeting room or event space, get in touch with us direct by emailing hello@houseofsport.org.uk.

Looking forward to meeting you soon.
